Name _____ Instrument _____ Total Minutes Practiced _____

Due Date:

Goal/Assignments:

Practice Records are due every Monday

[Late practice records may receive reduced credit and ZERO credit if over a week late]

1. To earn a 100 for this assignment, you should record at least **100 minutes** for the week.
2. What did you practice? Tell me three things...
 - List the **pass-off OR concert music song title** with specific measure numbers
 - Concepts you practiced [note reading, tone, rhythm, articulation, dynamics, intonation, etc].
 - What do you need to improve? [reading, tone, rhythm, articulation, dynamics, intonation, etc]

*I will accept listening to recordings of professional musicians on **your** instrument as part of a practice session. Tell me who you listened to and what songs they performed.

**Time spent on completing composition and theory assignments does count as practice time.

Day # of minutes What did you practice? Be specific / Provide details

Mon Jan 25	20	Example: I practiced exercises 2.6, 2.9 and 2.11. I primarily focused on performing the dynamics correctly. Smartmusic gave me a 90 for 2.6 and 2.9. However I still need to work on timing and articulation in 2.11 before I submit it.
